Welcome to the Friends of the Library! We are a non-profit, 501(c)3 organization dedicated to assisting the Hardin County Public Library in any way we can. Your annual dues and the money realized from fundraising activities directly benefits the Library. From furniture to program supplies, the group has answered the call for materials and resources not covered in the Library's budget. We thank you for your financial support and hope you can participate in some of our annual events.
