

North Branch Children's Programming

Welcome to the Hardin County Public Library's Children's Department! We have several class options that meet the needs of our younger patrons. We are here to support your preschool and school age children's needs through age appropriate reading hour programs, book recommendations, school research assistance, and some "just for fun" programs.

Registration is not required for classes and events, unless specifically noted. Class times and dates can be found on our Facebook page and on calendars that are available for pickup at the circulation desk. Class selections and times are occasionally changed throughout the year to better meet the needs of our patrons. Therefore, please feel free to call the Children's Department for updates.

Reduced programming is scheduled during school breaks (Hardin County School System). Classes may be cancelled in case of bad weather.

If you have questions or would like to join our mailing list, reach us at:

Preschool Story Time

This is a transitional class for little ones who can't quite sit through a full one hour story time, but are ready to give 30 minutes a try! Learn the alphabet through books, crafts, and songs! (Ages 2-5)

Tuesdays: 10:00-10:30 am

Movie Night @ the Library

Join us for a family friendly movie along with popcorn and juice. Bring your favorite pillow to recline on while enjoying the movie!

(All ages)

First Thursday of the month: 5:30-7:00 pm

Where's Waldo @ the Library

We begin with a story from the librarian and then go on to search the library for the different "Where's Waldo" characters. How many can you find without being given any clues?!

(All ages)

Second Thursday of the month: 5:30-6:30 pm

Legos @ the Library

Large and small Legos are provided, along with an optional theme. After the masterpieces are created, they are put on display in the main part of the library!

(All ages)

Third Thursday of the month: 5:30-6:30 pm
